

## DRIVING DIRECTIONS FROM KAKADU TO BAMURRU PLAINS

Bamurru Plains is a 2.5 drive from Jabiru. Mobile phone reception will be intermittent and lunch is not provided upon arrival. Please ensure you have at least 3 litres of water per person in case of break down before you start your journey.

As you need to call the lodge ahead of your arrival from Jabiru to advise our guides when to meet you at the gate, we would recommend stopping for lunch at either the Bowali Visitor Centre (open 8am—5pm daily) located on the Kakadu Highway approximately 2Km's south from the intersection into Jabiru township or at Anbinik Kakadu Resort (open 7am—7pm) at 83 Jabiru Drive, in Jabiru township. Bowali has a Gallery, aboriginal cultural centre and also has a café with good selection of food and beverages available whereas Anbinik has a restaurant serving Thai food. **Please phone prior to your departure from either place so that the guides know when to meet you at the gate as you will be out of range shortly after departing Jabiru. There is a coin-operated payphone at both sites or you are able to use the phone at the Visitor Information desk/Reception desk. The Safari lodge phone number is (08) 8978 8977.**

Please check your fuel level (we recommend you top up your tank) before departing Jabiru as petrol is not available at Bamurru Plains.

Drive out of Jabiru on the Arnhem Highway and follow the signs to Darwin.

The drive is approximately 181kms or 2 hours drive from Jabiru to the camp gate. Follow the Arnhem Highway and turn right at the sign to Point Stuart Wilderness Lodge and Shady Camp.

Continue straight along this road. The road is sealed for approx 40kms and then changes to an unsealed road. Continue straight (do not take the turn off to Point Stuart Wilderness Lodge)

Turn left at the sign to Shady Camp (approx 42kms from Arnhem Highway) and onto the Harold Knowles Road.

2.5 kms along this road you will see the turn off (and a second sign) to Shady Camp, Please continue straight, do not take this turn off to Shady Camp.

Continue straight over a cattle grid and past the turn off to Melaleuca.

Continue on and pass over another grid & then further along go through a gate. (This may be closed, please leave this gate as you find it).

Thereafter you will pass another cattle grid and signs saying Private Property, please continue down the road for approx. 250m until you see the gate with a corrugated sign saying Swim Creek Station/Bamurru Plains. A guide from Bamurru Plains will meet you here at the agreed time.

As private vehicles are not allowed onto the station tracks, you will need to leave your car inside the front gate and your guide will drive you to the safari lodge (approx. 30 mins drive).
